**Officer Reports:**

**Chair:** We acquired a storage unit at Twin falls Storage on locust street in twin falls to store all Magic Valley Area NA items. The monthly lease of the unit is \$45 which is the lowest price we could find after contacting multiple places. Unit number 183 I have obtained a key for the unit and have given our activities chair the other key. If you have items belonging to Magic Valley NA please contact us so we can obtain them from you and get them into storage.

I would like to see a proposal to increase our prudent reserve for area activities to \$500. The current reserve is dated, and I feel it is necessary to increase this reserve.

In seeking a room for area to meet, I ran into several roadblocks. At this time the MVFH is willing to let us meet in the big room for the \$25 we currently pay to the senior center. Our next meeting will be held upstairs in the big meeting room.

**Subcommittee Reports:**

**Literature:** Crisa C. –Sorry I'm not able to attend I am in Boise school shopping and spending time with family. Literature sales have been a little slow. I did put an order in last week for \$128.76. I believe we have approximately 50 dollars in the account but I'm sure Rod has the exact amount. I'm not sure if this is the meeting to bring this up or if it's in September but I will be stepping down from literature this year and I will be needing a replacement. Hope everyone has a great day, and I will see you next month.

**Activities:** Ted B.- Asked for reimbursement of \$129.49 for BBQ. Campout flyer out this week.

**PR: Phil G.** — I was approached by a member of the fellowship to find a way to help local people in Prison in Boise acquire books and be able to get help through NA working steps or whatever. After discussing with other members, we came up with the possibility of doing Step Work by mail for prisoners. This program has work in other parts of the country, and I believe it could possibly work around here.

Right now, we do not have an active H&I Committee. It has been hidden under the label of Public Relations and has been forgotten about in this area for many years. I have tried without success to get us into local jails. I feel we have hit a dead end with this. However, we may be able to correspond by mail, not only with State prisoners, but with local county prisoners also. I would like to hear some discussion on this within the area, if you believe we may be able to accomplish it.

The website is up to date.
